

The Alpine Club of Canada Custom Guiding Program

We design our custom Mountain Adventures to offer a variety of opportunities, from programs for those still acquiring their mountain skills to serious challenges for our more experienced members. All expenses and logistics can be looked after for you - such as your meals, accommodation, group climbing gear, mountain guides, helicopters, planning, etc., or you may prefer to plan most of the trip yourself and pay only for the guide's services during your trip. It's up to you!

A little bit about pricing: Mountain guiding is an extremely specialized and skilled vocation, and becoming a professionally certified mountain guide is a long and challenging process. The Alpine Club of Canada uses only ACMG (Association of Canadian Mountain Guides) certified guides for all of its camps and programs. We also put as much effort as possible into making your program exactly what you want it to be. As such, you should be aware that organizing this sort of program will be more costly than going on one of the ACC's pre-planned camps. Expenses such as the guide's food and travel expenses during your program are factored into the charge to you. However, the advantage is that you can be assured of personal and professional service of the highest calibre.

In order that we can set a price for your chosen program in as fair and informed a manner as possible, we request that you first fill out the "Custom Trip Request" form (below) and return it to us. We will then review the information and get back to you with a quote for your program within two (2) weeks of your request. Confirmation in the form of a \$500 deposit should be returned to our National Office within two (2) weeks of notification. Programs cannot be confirmed, nor can we book staff or begin preparations for your program, until payment of your deposit is received. The balance of your program fee is due twelve (12) weeks prior to the start of the camp.

If you have any questions, please do not hesitate to contact me. I look forward to putting your 'trip of a lifetime' together for you soon!

Sincerely,

Shelley Freeman
Manager, Club Services
