THE ALPINE CLUB OF CANADA
PRESIDENT'S AWARD

"A special award to recognize extraordinary services to The Alpine Club of Canada"

The President's Award is presented to individuals deserving recognition for extraordinary service towards the activities of the ACC. This award is available to both, ACC members or non-members. The form of this award is a wood and brass plaque. Starting with the 2006 award nominations the President's Award has replaced the Special Award which was instituted in 1984.

During 2006 only this award will be referred to as the President's Centennial Award. The President's Award is otherwise the new and continuing name of the Special Award.

A nomination for the President's Award is made by any ACC member or Committee, in writing on the specified nomination form, to the Chair of the Awards Committee via the Alpine Club of Canada **no later than December 31st of each year. The names of prospective recipients are evaluated by the Awards Committee.** Its recommendations are then presented to the Board of Directors prior to the Club's Annual General Meeting (AGM) held in the spring. Successful nominees must have a favourable vote of not less than three-quarters of the voting members of the Board. Recipients receive their award at the AGM or in some other suitable manner.
